Student Testimonials

Cedric Lee

"I tried self-study before, but found it inefficient, so I joined the Kaplan CFA® Program. The curriculum was very systematic and exam-focused. Our teacher, Dr Kyle, was highly knowledgeable and always went straight to the point. He often used real-world examples to explain complex theories, which made the content much easier to understand."

Marcus Lo

"Kaplan not only strives for excellence in its course materials, but also offers a diverse selection of up-to-date topics aligned with current market trends and needs. It has provided me with a value-added service that I could not have received through self-study."

Simulate the interface, format, and difficulty of the actual CFA® exam.

How to get started?

Enter the CFA® Program

Enrollment Requirements:

Have a ***bachelor's (or equivalent) degree***

OR

Be an ***undergraduate student***

Your selected exam window must be 23 months or fewer before your graduation month for your bachelor's degree or equivalent program. For your Level III exam, you must have completed your bachelor's degree or accrued 4,000 hours of professional work experience.

OR

Carried out professional ***work experience***

Have a combination of ***4,000 hours of work experience and/or higher education*** that was acquired over a minimum of three sequential years[^] and achieved by the date of registering for the Level I exam. The dates of education and professional work experience cannot be overlapping.

A ***valid international travel passport*** is required to register.

[^]If applicable, assume 1,000 hours per year for higher education

Become a CFA® Charterholder

After passing all three exam levels, complete these steps to become a Charterholder:

- At least 4,000 hours of relevant experience, completed in a minimum of 36 months
- Submit 2-3 professional references
- Become a member of CFA Institute (USD299 membership fee for CFA Institute*)

*First year annual dues will be pro-rated for those joining CFA Institute and a member society for the first time.

For details, please refer to CFA Institute official website:
<https://shorturl.at/eNBZq>

FAQ

Q1 Why do thousands pursue the CFA® CHARTER?

A: The CFA® charter is recognized globally as the gold standard in investment credentials. It connects you to a network of over 200,000 professionals and prepares you for key roles such as portfolio manager, risk manager, and research analyst.

Q2 What recognition do I receive after passing each level of the CFA® Program?

A: After passing each level of the CFA® Program, you will receive a new digital badge to showcase your achievement. You can also display your designation after your name on LinkedIn and X (Twitter), making it easy to highlight your progress and accomplishments to your professional network.

Q3 Is your course suitable for me if I don't have solid background in Finance? Will it be difficult for me to catch up in the lessons?

A: Yes, our most complete 3-phase learning strategy (Education + Revision + Mock Exam)—the Full Package—offers comprehensive preparation for the CFA® Program in Hong Kong. We help you build foundational concepts from the ground up, strengthen your exam techniques, and provide exam rehearsal.

Q4 How long should I prepare the exam?

A: The CFA® exam is challenging, the CFA Institute recommends a minimum of 300 hours of study time for each level. Rather than spending extra time trying to navigate the curriculum on your own, you can rely on a professional provider like Kaplan to help you study more efficiently. Our complete CFA® Program 3-Phase strategy (Education + Revision + Mock Exam) covers everything you need to maximize your study effectiveness. Typically, our program duration is 3 to 5 months to get you ready for exam day.

Q5 Which study solution is right for me?

A: Our Full Package is recommended if you want guidance throughout the entire learning process—from knowledge building (education) and knowledge reinforcement (revision) to taking mock exams that prepare you for exam-day success.

Education Program is recommended if you have previously studied the CFA® Program but wish to further strengthen your understanding of the curriculum and learn exam-related tips and techniques.

Revision Course is recommended if you already have a strong understanding of the curriculum but need to learn and/or refresh your knowledge.

Q6 What if I have questions after the lessons?

A: At Kaplan we are passionate about helping all students through their training. Our trainer is approachable and accessible for consultation through emails after lessons and help you overcome any study issues you encounter.
