Exam Overview

CPA Program®

Exam Subjects

6 subjects:
4 compulsory and 2 electives

Type of exam questions

- **Multiple choice (standard):** you have a choice of four options with one correct answer.
- **Extended response:** requiring an extended, typed response. For SMA and FR, your extended response section will include 'worksheet items', that will require you to add numerical values into a worksheet.
- **Multiple choice (based on a short case study):** you have a choice of four options with one correct answer. Please note, this question type only applies to GSL.
- **Multiple choice (multiple options):** you have a choice of more than four options, requiring you to select all of the correct options that apply. Instructional text within the exam will make it clear when you are presented with this new question type. This new question type will also be in a section of the exam separate to standard multiple-choice questions.

Exam cycle

Twice per year: April and October
