WHAT DO STUDENTS SAY ABOUT OUR SAT COURSE?

★★★★★
Daniel M.

Discussion of tactics in the class, and explanations of the answers are easy to follow and understandable. Paul also teaches so many helpful tips and skills that help me on doing the test in an efficient way. Good interaction with students.

★★★★★
Rene C.

I got 1530 and I'm very happy with the results! Kaplan really helped with my reading and writing skills. Paul taught a lot of grammar points and how to structure my essay, so many thanks to him!

★★★★★
Rachel W.

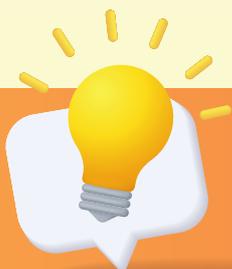

The breadth and depth of Mathematics topics covered, ensuring that students do not miss any question types in their revision and testing. The method of instruction for the Reading and Writing Section – allowing students to read logically and critically.
