of our STUDENTS said Kaplan's CFA® exam preps useful

Hear what our students say

I found that Kaplan's prep course for the CFA® program is incredibly helpful for a number of reasons. Most importantly, we had a great teacher - engaging, enthusiastic, helpful, and highly exam-focused.

I'm also grateful for his detailed, step-by-step approaches in teaching us how to answer exam questions. Also, the catch-up videos were very helpful for reviewing concepts and catching things I had missed in class!

FAQ

Q1 Is your course suitable for me if I don't have solid background in Finance? Will it be difficult for me to catch up in class?

Our most complete 3-Phase learning strategy (Education + Revision + Mock Exam) for the CFA® Program, known as **Full Package** is the most comprehensive training in Hong Kong. We not only help you build core concepts but also take it further by enhancing exam techniques and rehearsing exam.

For students who do not have background in business nor strong financial knowledge, we offer **Free Online Pre-course** for those who enroll in our Level I Full Package. Approximate 9 hours of online instruction on fundamental concepts helps you build a solid foundation and acquire key skills required to ensure a smooth start.

We also recommend you to begin your CFA® Program journey with our **Free Resources**, including CFA® Fundamental eBook, Calculator Workshop etc. For details, please refer to <https://fmlanding.kaplan.com.hk/>.

Q2 Will you help me register the exam?

You are responsible for registration of the CFA® exam. If you have not done so, you can register online at: www.cfainstitute.org/programs/cfa/register. Please beware of the exam registration deadline indicated on CFA Institute Official Website.

Q3 How long should I prep the exam?

The CFA® exam is tough, CFA Institute recommends **minimum of 300 hours** of study time for each level. Instead of expending more energy and time trying to figure out the complexities of the curriculum, outsource it to a professional like Kaplan. So you can study more efficiently. Our most complete CFA® Program 3-Phase learning strategy (Education + Revision + Mock Exam) includes everything you need to maximize study effectiveness. The duration of our program takes 3 to 5 months to get you exam-ready.

Q4 I may not be able to attend some of the sessions. What should I do?

Don't worry, we have the best solution for you. Our Online Catch-up Videos are here to prevent you from missing any classes. Contact our Customer Service Officer and request:

Catch-up Videos

Education Program, Revision Course, Mock Review with trainer annotations is recorded and available for viewing anywhere with internet access

Q5 Which trainer is better?

Any educational program is only as good as the people who construct and deliver it. We have assembled the most effective, well-respected, and competent team of professional trainers to create and deliver Kaplan Exam Prep.

To learn more of their teaching styles and how trainers work through problems, you are welcome to attend our free seminars. For dates of upcoming seminars and to register, please visit: www.kaplan.com.hk/financial-markets/events.

Q6 Which study solution is right for me?

Majority of people would prefer following a pre-set schedule, interacting with trainer and participants, learning in a classroom environment. **Our Full Package** has helped thousands of candidates to prepare for the exam effectively.

If you are juggling between career and study which makes attending classroom class almost impossible, with our **Live-streaming and Online Catch-up video service**, or **Kaplan Schweser Self-study Package**, you have the freedom and flexibility to decide what fits your learning style and condition.

Q7 Any pass guarantee?

We understand that the qualification can be tough to pass, if you don't get the result you wanted, not all is lost. Therefore we offer free rejoin pass for you. Details please refer to Page 4.

Q8 I think your program is quite expensive. May I know why I should choose Kaplan for preparing my CFA® exam?

We offer one of the **highest number of hours** of training program in Hong Kong. Designed around a 3-Phase learning strategy (Education + Revision + Mock), all our courses are guided by academic researches on the most effective study method to prepare for the exam. Many providers stop in the Education Phase. We take it further by enhancing exam techniques and rehearsing exam in the Revision Course and Mock Exam.

Q9 I want to know more about the exam. Where can I find more information?
